Freestream Difference

“Over the last 3 years, we have employed Freestream Aircraft Limited as our exclusive broker in three separate aircraft transactions. We have sold one Gulfstream IV, one Global Express, and we purchased a G-550. The Freestream team acts as a consummate business partner who strongly advocates for their clients. They are without equals in this area and I have known many in my 30 years within corporate aviation. In all of our transactions I firmly believe we were the decided winner in every negotiation. If in the future Zeno were to purchase or sell an aircraft, we would only use Freestream Aircraft Ltd.”

– Craig Johnson, VP/Senior Director Aviation,
Zeno Air, Inc. Wm. Wrigley Jr. Company
